SOUTHERN TUCSON AERIAL TRADE MAP

TUCSON AIRPORT SUBMARKET

The Tucson Airport Submarket is one of Tucson's most desirable industrial trade regions with ideal proximity to nearly every primary logistics hub and trade route in the Greater Tucson Metro. With over **10 million square feet** of industrial space, the airport submarket is home to some of the largest employers in Southern AZ, including Raytheon Missile Systems, FedEx, HomeGoods, and Amazon, among many others.

The area benefits from direct access to both the **I-10 and I-19** highways which provide uninterrupted routes to Phoenix (100 miles Northwest) and the US-Mexico border (60 miles South). Additionally, the Sonoran Corridor project is currently under construction and will allow for an east-west running highway to connect the two major interstates. Once complete within a few years, the Sonoran Corridor will offer local drivers an expeditious southern route to transport goods to Mexico as well as southern access to the airport and businesses located south of the City of Tucson.

The Southern AZ Aerospace & Defense Industry is made up of over **25,000 employees** across more than **200+ companies**. The Tucson Airport Submarket contains the **fifth highest** concentration of Aerospace and Defense employees in the entire nation, making it an ideal location for A&D and Aviation businesses, as well as a variety of other industrial users and enterprises.
